

## TAUESG 2017

The 7th Conference of the *Tuber aestivum/uncinatum* European Scientific Group

15-17 NOVEMBER 2017 VISBY, SWEDEN

We are happy to announce  
the 7<sup>th</sup> TAUESG conference 2017 in Visby, Sweden!

The meeting will be held November 15-17<sup>th</sup>, 2017 at Uppsala University Campus Gotland in the medieval city of Visby on the island of Gotland.

The preliminary program, travel and visitor's information, and links for registration and abstract submission will soon be made available. Abstract submissions are cordially invited, and should be submitted before September 15<sup>th</sup>. Presentations will be made in the form of oral presentations or posters. Following the conference, the 4<sup>th</sup> Gotland Truffle Festival is held Nov. 17-19<sup>th</sup>.

WELCOME!

On behalf of the local organizing committee,  
Christina Wedén, Uppsala University
